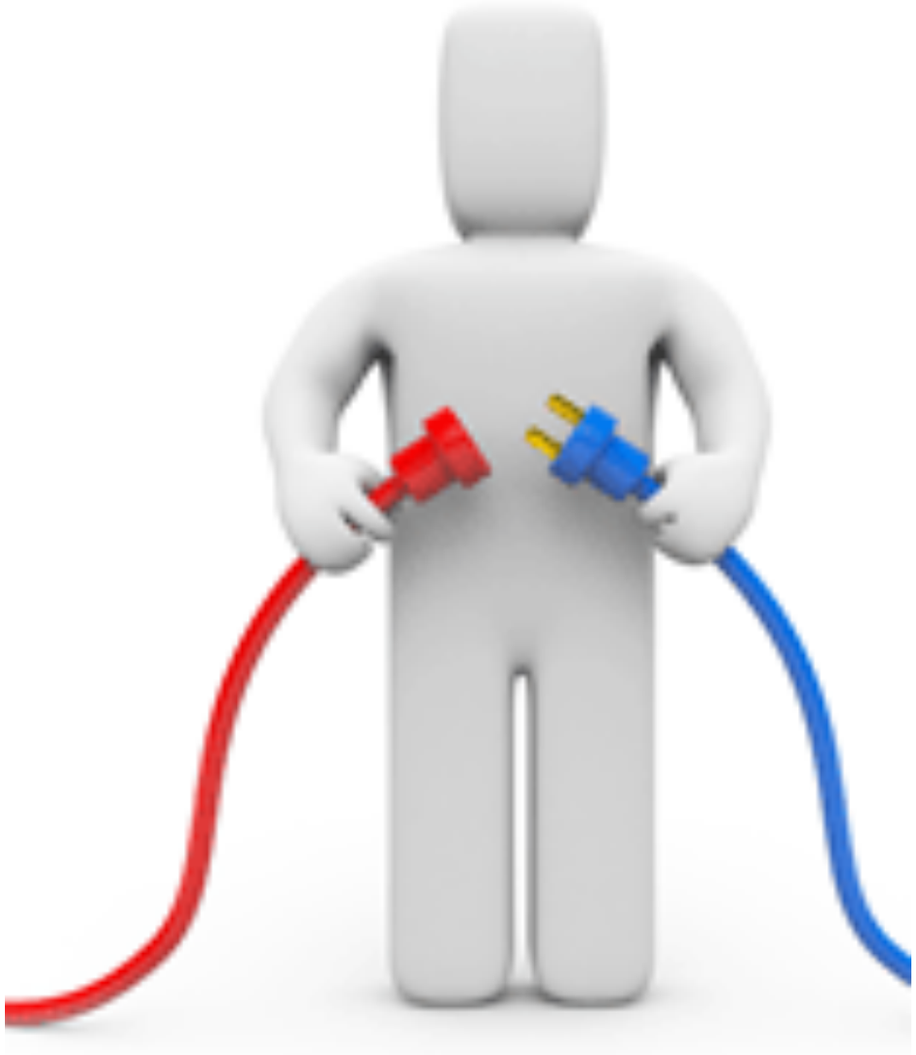
Information

EXIT

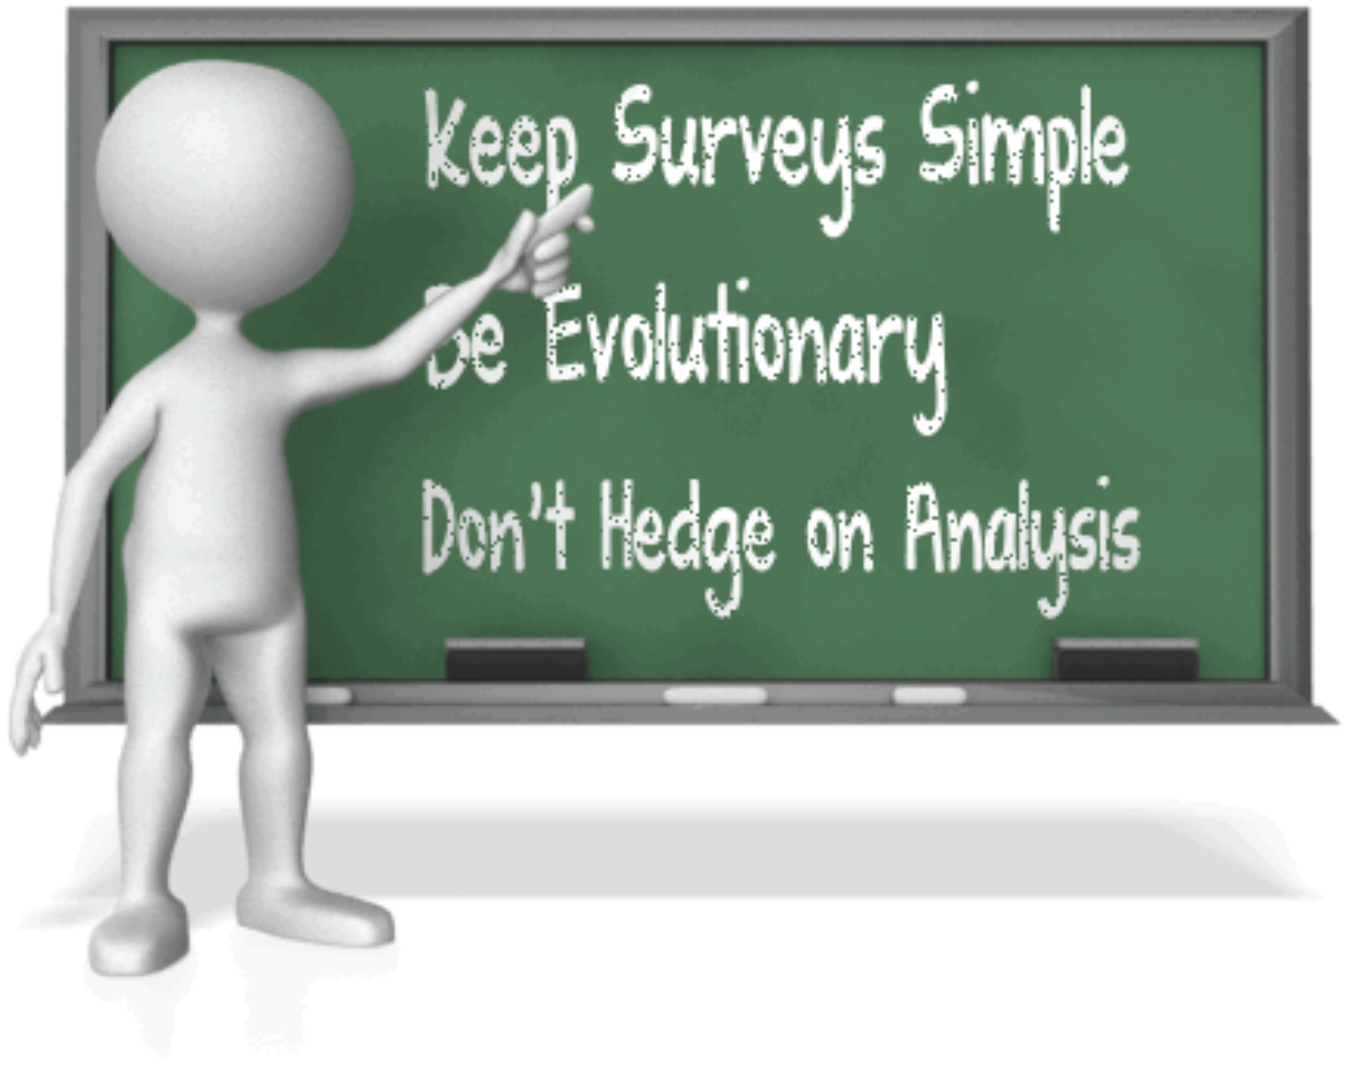
Implementation

- Orientation
- Teams
- Identification
- Give Aways
- Consistent Times
- Safety Checks
- Traveling Support
- Data Input and Analysis
- Review Volunteer Feedback



Follow-Up

- Connection for absolute individuals
- Adjustment of Surveys
- Shelter Analysis
- Work regionally
- Enhance local partnerships

- Size allows you to catch all hotspots
- Can always get enough volunteers
- Have a better handle on the pulse of trends
- Data is not so overwhelming
- Can take more direct approach to results


What We Have Learned
